Research Management Cell Coordinator

APPLICATION GUIDELINES

The Research Management Cell, Sudur Paschimanchal Campus, invites applications from eligible faculty members (full-time faculty; part-time faculty can participate as co-researchers) for the "Mini Research Grants 2026". A total of two such grants will be made available: Each awardee will receive a grant of 40,000 rupees.

Minimum Requirements for Eligibility

Faculty members who fulfill the following requirements may apply for mini research grants:

The research grants can be awarded to an individual or a group. If the mini research grants are for a group, the group should have a team of at least 2 members, with the principal researcher in full-time status and the other member in either full-time or part-time status.

- The RMC members and any other Selection Committee Members under the RMC are not eligible to apply.
 - Applicants who have currently received fellowships/research grants from the UGC or TU are not eligible to apply.
 - If the researcher/s agree that they are ready to give the copyright of the research report to the RMC and to publish an article based on the funded research report in the campus journal named SP: SWAG
 - In case of dispute, the final decision will be made by the Selection Committee under the RMC of Sudur Paschimanchal Campus.
 - Documents to be submitted for awards: To apply for the awards, the applicants should prepare the application package of the following two documents (filled application form; 2 copies of proposal;
- An application form must be submitted in the specified format available from the RMC or on Campus website www.spacampus.edu.np
- The research proposal must be prepared in either **APA** or **MLA** format. The total length, including the cover page, must not exceed **five pages**, and **single-line spacing** should be used throughout the document. The proposal will be evaluated through an initial review process, followed by a proposal presentation and the submission of the required supporting documents for final assessment. The cover page should include the title of the research proposal, the researcher's name, and the researcher's institutional affiliation. To ensure anonymity during the blind review, the researcher's name must appear only on the cover page and should not be included anywhere else in the proposal. The application package can be submitted to RMC.

Proposal Outline

The outline of the proposal should be as mentioned below:

Title page

Components of the body:

Introduction (with literature review)

Project Statement [with Research Questions]

Objectives

Methods

Limitations

Expected Outputs

Ethical Considerations

Work Plan

Budget
